Dear Parents and Carers,

Re: Extra curriculum activity programme for Spring 1 2019

At Shoreditch Park Primary school we are proud of the range of extra-curricular activities offered to our pupils after school, and of the successes our students have had in these areas.

We encourage all our students to develop new interests and to be physically active. These activities give the students the opportunity to work with others, experience teamwork and, in the case of sport, healthy competition. Please find a list of our clubs including costs below (Please note INSET days, Parents Evening and other public holidays have been taken into consideration in regards to sessions and costs)

Spring 1 extracurricular club programme will be starting from Monday 14th January to Friday 15th February. Club applications will be closed as of Wednesday 9th January. We highly recommend you register before this date.

Please note that applications are processed in order of receipt and places will only be finalised when payment has been received. Payment should be made termly via ParentPay. Payments will not be refunded except in cases of exceptional circumstances.
