Shoreditch Park Primary School

On behalf of Shoreditch Park Primary School we would like to introduce ourselves – we are members of the school's PTA.

We are fortunate at our school to have a PTA that is an integral part of the school community. Last year we raised just over £1000, which will be spent on equipment and resources to enhance our children's educational experience and KS1 playground, and this year we are thinking even bigger!

Our PTA is about much more than simply fundraising – although this is one of our objectives. We want to provide closer links between the school and the local community and believe that with the continued support of parents, staff and the local community our PTA will succeed in its efforts.

All parents as well as the local community/businesses are encouraged to get involved, even if you only have a small amount of time/resources available. If you cannot dedicate your time, perhaps you may have some useful skills (gardening, painting, baking etc), resources (paints, paintbrushes, plants, gardening equipment, tablecloths, napkins etc) or could contribute to one of our events by donating a prize? We have already held a very successful bake sale and are currently planning our annual Winterfest (please see flyer below) – we would greatly appreciate any contribution you are able to make.

Yours sincerely,

Shoreditch Park Primary School PTA
