

ASPIRE WEEK IN NURSERY

This week we have been learning our new ASPIRE nursery rhyme to the tune of Hey diddle diddle. We have also been singing our favourite nursery rhymes .

We have been making our very own ASPIRE puppets! We have chosen our favourite ASPIRE characters and discussing what they have taught us . We really enjoyed making our ASPIRE puppets and cannot wait to play with them in our class!

We have been taking a part with 5- a day. We have been dancing, relaxing and stretching. Self—Aware Samuel told us it is very important to keep active as it keeps us healthy and is really fun!
