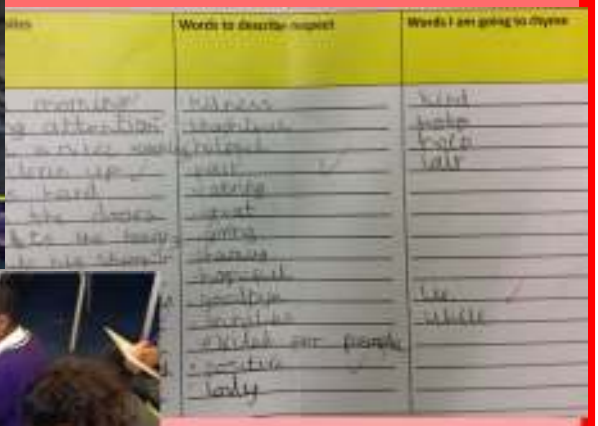
ASPIRE WEEK IN YEAR TWO

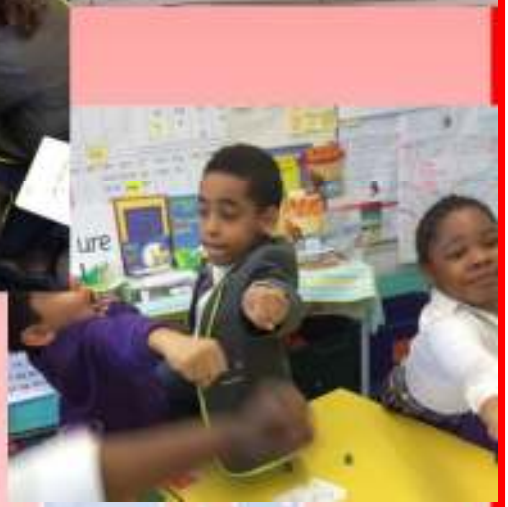
We know so much about being respectful, that we are planning on writing our own poem.

We started the week by reading the poem 'What can you give'. This got us thinking about how we can do things without expecting anything in return. We then thought about how Respectful Rodrick does this all the time. He's so selfless.

First, we had to gather a list of rhyming words to make sure we could write a rhyming poem.



We did Respect Rodrick math challenges in maths. We worked with our partners using respectful communication.



We love ASPIRE Active! We do 5 minutes of exercise each day because we respect our bodies and keep them fit and healthy!
