

# ASPIRE WEEK IN YEAR THREE

In year 3, we were focusing on Proud Pinar so in Power of Reading we wrote poems about how to show pride. We also got to respond to some special stickers in our books!

I showed pride by making my x and L height letters the right size. I could improve by making extra sure my x and L height height and my letters.

Sometimes if I feel **upset**

I don't want to sit up **straight**

It's almost like I just **forget**

I'm destined to be **great**

In Destination Reader, we really enjoyed reading poems by Michael Rosen, especially the poem The One You Stop is You which reminded us of being Respectful like Roderick.

We loved looking after our bodies this week by taking part in ASPIRE Active every day!
