

# ASPIRE WEEK IN YEAR FIVE

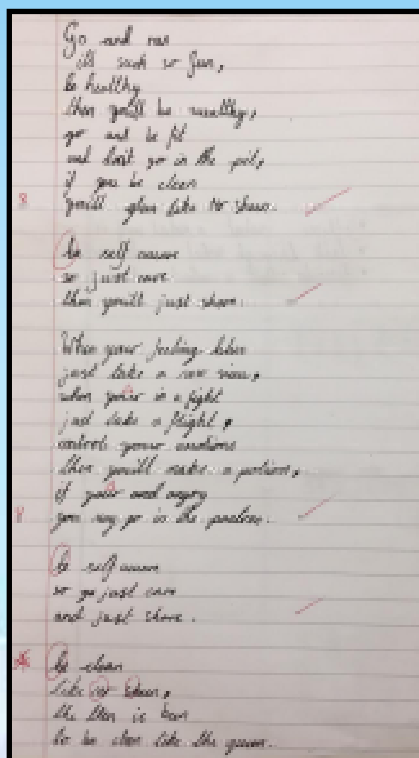

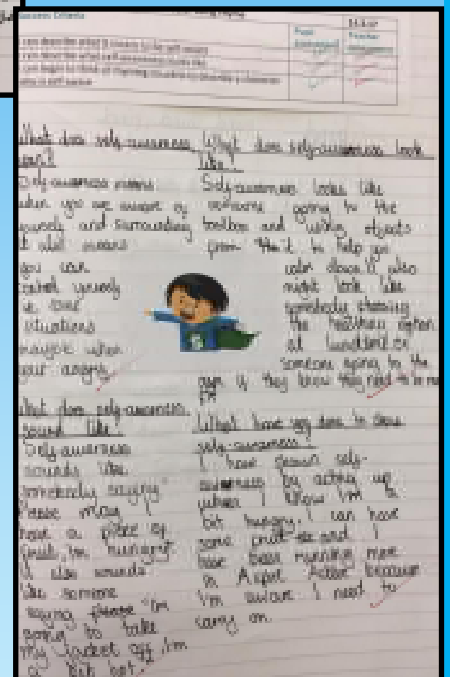

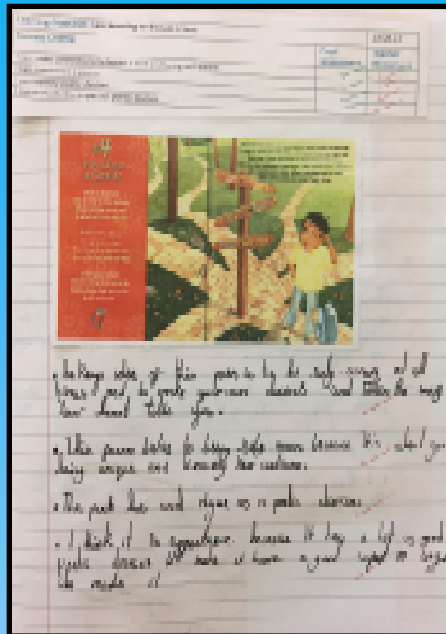

During our Power of Reading sessions this week we have been focusing on creating Self-aware Samuel poems. We started off the week by reading some poems related to being self-aware and annotated them using our Destination Reading skills. We then looked into rhyme and other poetic devices.

Finally, we planned and wrote our poems based around self-awareness. We finished off our Power of Reading sessions this week by becoming rappers and rapping our poems.

Our Destination Reader lessons this week have been focussed around different poetry. We have concentrated on our evaluating skill.

Each day we have read another poem with our partner, followed by writing some responses in our books about the effectiveness of the language and organisation of the poem.

# ASPIRE WEEK IN YEAR FIVE

Our maths lessons have had an ASPIRE focussed starter.

**Sudoku – fill in the missing numbers. Each column and row must have a 1, 2, 3 and a 4 in it.**

		1	

Our favourite part of the week has been completing the daily run-a-thon as part of ASPIRE active. We have been setting ourselves realistic targets each day of how many laps we can do. Throughout the week we have definitely improved
