ENQUIRY EBONY'S HOMEWORK Challenge

Hi Year 2,

Your Half Term Homework Challenge is linked to your new science topic of 'Materials'. Collect a selection of different from around your house or local area. You could choose to make a piece of clothing from these materials or name their properties (as seen in the pictures below). Try and be as creative as you can! Please see your teachers for any ideas or resources- they are happy to help!

Good Luck, Ebony x

A hat made from paper

A necklace made from newspaper and paper clips

A bag made from a fabric t-shirt.

A skirt made from plastic
