

Science Curriculum Map 2018-2019

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1	Our Changing World- Animals/Seasons (1/4) Using our Senses	Our Changing World- Animals/Seasons (2/4) Looking at Animals	Our Changing World- Animals/Seasons (3/4) Everyday Materials Science long write	Our Changing World- Animals/Seasons (4/4) Plant Detectives Science long write	Our Changing World - Plants Science long write	Our Changing World- Animals/Seasons Science long write
Year 2	Growing Up Assessment: Animals, including humans Science long write	Materials- Good Choices Teacher Assessment: Video evidence of Scientific Enquiry (SC1) Science long write	Materials-Shaping Up Assessment: Uses of everyday materials Science long write	Take Care Teacher Assessment: Video evidence of Scientific Enquiry (SC1) Science long write	What is your habitat? Assessment: Living things and their habitats Science long write	The Apprentice gardener (15 lessons!) Assessment: Plants Science long write
Year 3	Rock Detectives Assessment: Rocks Science long write	The Power of Forces Teacher Assessment: Video evidence of Scientific Enquiry (SC1) Science long write	Can you see me? Assessment: Light Science long write	Amazing Bodies Assessment: Animals, including humans. Science long write	How Does your Garden Grow? Teacher Assessment: Video evidence of Scientific Enquiry (SC1) Science long write	How Does your Garden Grow? Assessment: Plant Science long write
Year 4	Switched On Assessment: Electricity Science long write	Good Vibrations Assessment: Sound Science long write	Where Does All that Food Go? Teacher Assessment: Video evidence of Scientific Enquiry (SC1) Science long write	Our Changing World/ In State Assessment: States of Matter Science long write	Human Impact Teacher Assessment: Video evidence of Scientific Enquiry (SC1) Science long write	Who am I? Assessment: Living things and their habitat. Science long write
Year 5	Circle of Life Assessment: Living things and their habitats Science long write	Reproduction in Plants and Animals Assessment: Animals including humans. Science long write	Get Sorted Teacher Assessment: Video evidence of Scientific Enquiry (SC1) Science long write	Marvellous Mixtures All Change Assessment: Properties and changes of materials Science long write	Feel the Force The Earth and Beyond. Assessment: Forces Science long write	Everyday Materials Teacher Assessment: Video evidence of Scientific Enquiry (SC1) Science long write
Year 6 (End of Year Tests)	The Nature Library Assessment: Living thing and their habitats Science long write	Light Up your World Assessment: Light Science long write	Body Pump Assessment: Animals including humans. Science long write	Our Changing World/ Everything Changes Assessment: Evolution Science long write	Body Health Teacher Assessment: Video evidence of Scientific Enquiry (SC1) Science long write	Danger! Low Voltage Assessment: Electricity Science long write
