

Premio Español Primaria

School Shoreditch Park Primary

Date of assessment: 20 June 2017

Brief comments

- The learning of Spanish is now embedded into the life of the school. Excellent records are kept in order to track pupils' progress and to provide evidence of attainment.
- The link with the school in Madrid is well-used, at the moment, to provide a real audience for pupils' speaking and writing and as part of the CPD for staff who participated in the Erasmus+ Structured Training Course.
- The school has excellent systems for monitoring the quality of the teaching in Spanish and regular line manager meetings ensure that targets are set and followed up. TAs give really good support in Spanish lessons.

Areas where the criteria have not been met: All met

Recommendations:

- Develop the links that have been established with The Bridge Academy through joint activities and visits to each other's school
- Maintain the link with your partner school in Madrid
- Ensure that the good work which has been started in Spanish is maintained and developed.

Recommend for the Bronze Award: YES
