

ASPIRE

Enquiring Ebony's Black History Month Homework Challenge

Hi Year 4,

As you are aware, October marks the celebration of Black History Month.

It a time set aside each year to celebrate the achievements of black men and women in the past and today.

Each class has been assigned a significant black person in history to research. Your class has been assigned...

Rosa Parks

Your homework is to find out as much information as possible about Rosa Parks.

Please bring in your findings on Friday 13th October.

Good Luck,

Ebony
