## Enquiry Ebony's Homework Challenge

Hi Year 5,

Over the Christmas holidays your homework task is to carry out some research about the history of Hackney.

You may present your information in a poster, a leaflet or any other creative way.

You could carry out your research online by typing into google '*the history of Hackney*' or looking at some of the suggested websites on the curriculum letter.

You could go to the library in Hoxton to see if there is any information in books.

You could interview relatives or people who have lived in Hackney for a long time and ask them for any information they have about the history of Hackney.

All research projects will go on display.

Good Luck

Ebony x
